STRATEGIC DEVELOPMENT GROUP, INC., a leader in site selection, incentive negotiation, and economic development consulting, is growing and added Dustin Stimson as a Senior Project Manager to its staff. Mr. Stimson, who holds a Juris Doctorate from the University of South Carolina School of Law and a Bachelor of Arts from Stanford University, will work alongside Strategic Development Group, Inc. President Mark Williams to continue providing clients with customized solutions.

“We are delighted to have Dustin Stimson join our project management team” said Strategic Development Group, Inc. President Mark Williams. “Dustin has a unique set of analytical and personal skills which will create significant value for both domestic and international clients” said Williams.

Strategic Development Group, Inc. is a nationally recognized site location firm specializing in identifying sites appropriate for a client’s headquarters and manufacturing facilities. This process includes a thorough analysis of transportation, utility, demographic, geotechnical, and environmental considerations and assists its clients in evaluating the costs of developing sites under consideration. Strategic Development Group, Inc. also provides its clients with a thorough analysis of incentives, negotiations for incentives, and recommendations on strategies to pursue.

Additionally, Strategic Development Group, Inc. provides a variety of economic development services to local, state, and regional economic development organizations designed to enhance their ability to attract desired investment and create quality jobs. Strategic Development Group, Inc. has extensive public and private sector economic development experience with focus on a results-oriented consulting approach.
